

THOSE WHO ARE NOT VIRTUS TRAINED

Parental involvement is essential to the success of our parish and school. We are truly grateful to our parents, grandparents, family members and numerous volunteers who willingly give of their time to the various programs at Holy Name Parish and School. Anyone involved with children when performing lunch duties, field trips, Bernardines dances, Room Parents duties, Resource Parents, etc. must complete one session of the Virtus training and yearly complete the CORI process. After the completion of this process, volunteers will receive a Holy Name identification card. This must be shown at all times whenever you are involved with any activity with children.

Please complete the form below and return it to the school or the rectory designating the date you would like to attend the Virtus Training “*Protecting God’s Children.*” After attending the Virtus Training, please submit a copy of your certificate to the office so that a Holy Name Parish School Volunteer identification card can be issued.

Program For Protecting Children: Holy Name Parish has been involved with the Archdiocesan child abuse prevention program, *Protecting God’s Children.* This program educates and trains adults about the dangers of abuse, the warning signs of abuse and the methods for properly reporting suspicions. As mandated by the Archdiocese and the Attorney General’s office, anyone involved with children at the parish and school is required to attend. If you are involved with children and have not attended a past session, consider attending one of the dates listed below:

September 13	10:30am–1:30pm
September 16	6:00pm–9:00pm
October 19	9:00am–12:00pm
